## Stor fabriks hall och mindre produktionsutrymmen

For rent:

A 966 m<sup>2</sup> large factory hall with high ceilings, next to the large hall there are smaller production spaces, office spaces and staff rooms on two floors.

The hall has a radio-controlled traverse and an extensive fire alarm system

The hall is located in Dalsbruk's old factory area, *Dalsbruk industrial & logistics park*, where several different companies nowadays operate.

The area has infrastructure, roads and a functional port with an 8 m deep fairway.

Renting the space is risk-free because you can make a rental agreement according to your own needs.
