Upea Elvik - Härliga Elvik

On the southern shores of Kemiönsaari, opposite Bromarv, you can find Elvik, which is built to high standards!

The main house is about 400 m² and it takes up 6–7 bedrooms, about 150 m² open space that includes hall, living room, conservatory, dining room, home theater room. Separate kitchen-housekeeping department and several toilets/bathrooms.

In its current form, there is a 15 x 15 m car museum. The building is also an ideal place for other gallery or exhibition needs. The same building group has also two-car garage and four separate storage/hobby rooms.

A beach sauna, net shed, docks for large boats and a gazebo with a view over the archipelago await you on the beach. The shoreline is about 300 m and the area of the property is about 1.5 ha.

People are living in the area, so a visit only takes place with the Real Estate Agent, as a private presentation.

The seller has the right to accept or reject the given offers and the starting price is 850 thousand euros.
