In this property located in Illo, Västanfjärd, you have everything with all the different possibilities and driveway. Own water approx. 10ha, shoreline approx. 1.2 km, + 5 cobbles and coves, land area approx. 15 ha, some arable land around the old curios croft original from the beginning of the 20th century with outbuildings of light construction in two floors of 6 x 9 m. In the outhouse there is the woodshed and a garage where you can store, for example, a four-wheeler or similar.

From the croft, a well-maintained road continues to the beach with its beautiful water-sanded mountains. At the beach there are the following buildings, a spacious cottage about 50 m2 from its time built in the 70s. The cabin has an entrance hall, a spacious kitchen with running water, bedroom, living room, fireplace, with a small work corner/or the possibility of a sleeping couch and indoor eco-toa. The terrace to the cottage has a roof and is partly glazed. There is a small flower garden by the cottage and next to the patio grow boxes for small-scale cultivation of vegetables and such. On the southern shore you will find the following buildings, log sauna, gazebo, wood shed, shed/garage.

The whole has three separate recreational building rights with their own beach, driveway and 250 m2 building rights for each of them as well as additional building rights around the old croft.
